

# The Benefits of Effective Scheduling

**A church grows when ministry participation increases.  
Ministry participation increases through effective ministry scheduling.**

There are three editions of MSP to choose from: Basic, Coordinator, and Online. Each edition brings an additional level of benefits to the scheduler, to the church, and to your volunteers.

---

## **Basic Edition** (includes all scheduling and reporting functionality)

- ◆ Eliminate the frustrating, time-consuming work involved in scheduling.
  - ◆ Refocus energy on training volunteers and planning events.
  - ◆ Schedule around your volunteers' busy lives and serving preferences.
  - ◆ Make volunteering more enjoyable by enabling families to be scheduled together.
  - ◆ Make it easy for volunteers to see when they are scheduled with professional layouts.
  - ◆ Increase volunteer satisfaction and reduce burnout with fair, personalized schedules.
- 

## **Coordinator Edition** (all of the above plus the E-mailer, data sharing, and attendance tracking)

- ◆ Communicate with all volunteers or just those meeting certain criteria in seconds.
  - ◆ Instantly send personalized bulletins that volunteers notice when checking their email.
  - ◆ Save postage and material costs by sending schedules through email.
  - ◆ Share your work with other ministry heads even if they are in different locations.
  - ◆ Give all ministry heads the option to effectively schedule their volunteers using MSP.
  - ◆ Increase attendance by tracking and alerting volunteers when they don't show up.
  - ◆ Help volunteers remember their commitment through weekly email reminders.
- 

## **Online Edition** (all of the above plus the breakthrough Web Terminal technology)

- ◆ Enjoy the unprecedented efficiency of an interactive Web Terminal for all volunteers.
  - ◆ Save time by enabling volunteers to make (approved) changes to their own schedule.
  - ◆ Reduce data entry work by enabling volunteers to update their personal information.
  - ◆ Increase communication by customizing the terminal with announcements and bulletins.
  - ◆ Efficiently adjust to changes by enabling volunteers to request and accept substitutes.
  - ◆ Help volunteers stay connected by providing them instant access to their schedule from anywhere.
  - ◆ Energize your volunteer base by making the scheduling process interactive.
